Our Gin Menu

We have a large selection of gins that we serve with Fever-Tree tonic unless otherwise requested at 2.00 for 200ml

Arran Gin 42% 25ml 4.00

Released 2018 with botanicals sustainably foraged right here in Whiting Bay. A distinctive gin with notes of earthy candied peel. We drink it with a slice of orange and Fever Tree Original, or try it in our Signature St.Clement's Martini. Simply Beautiful!

Kintyre Gin 43% 25ml 3.50

Released in 2017, our friends at Beinn An Tuirc Distillery have made some big waves in the world of gin.

Winning Best Gin at a blind tasting at the home of Bombay Sapphire and two Bronze Medals at the World Gin Awards. It's light, delicate, pure and great with even just a splash of soda. Otherwise try it with fresh mint and Fevertree Light.

Bombay Sapphire 40% 25ml 2.50

Our house gin – A floral bouquet with plenty of flavour that combines 10 botanicals. We serve in a lovely goblet glass with plenty of ice and either lemon or lime and Fever-Tree Original.

The Botanist 46% 25ml 3.50

From Islay. A classy gin made by expert distillers. We love it. Our friend Mark Williams taught them how to forage for their 22 botanicals. We serve it over ice with a sprig of Rosemary and Fever-Tree Original.

Hendrick's 41.4% 25ml 3.50

The much-loved favourite of premium gins. An infusion of Bulgarian rose petals and cucumber, served with a slice of cucumber; Hendricks helped reboot a nation's love of gin with its unusual garnishes helping to enhance the uniqueness of each gin. Love Hendricks? Make sure you have it with Fever-Tree Tonic, it makes all the difference!

Pickering's 42% 25ml 3.50

This unassuming gin won us over a few years back at the Good Food Show. It has since won a couple of World Gold Taste awards so it doesn't just have our recommendation! We love it with pink grapefruit and Fever-Tree Original.

Bloom 40% 25ml 3.50

This summer favourite has notes of sweet honeysuckle and camomile. We love it served with frozen strawberries and Fever-Tree Elderflower.

Harris Gin 45% 25ml 4.50

This hard to come by gin has earned its place amongst the Scottish greats. A refreshing gin with a good balance between juniper, pine and sweet tropical fruit. We serve it with pink grapefruit and some Sugar Kelp if you're feeling adventurous.

Arbikie:

Kirsty's Gin 43% 25ml 4.20

Unique in that even the base spirit is distilled from homegrown potatoes. Smooth and buttery, we like it with blueberries and a lemon twist.

Eden 42% 25ml 4.00

One for the purists, super dry with a big 'alcohol' nose great for getting your gastronomic juices flowing and the perfect aperitif. Best served with an olive as a Martini.

Eden Love 42% 25ml 4.00

Served with frozen raspberries. Mixed with Fever-Tree Elderflower; this is a true summery delight! No romance required, treat yourself and friends: you won't be disappointed!

Eden Golf 42% 25ml 4.00

Eden Mill's latest offering is inspired by the wild botanicals growing around the world famous golf courses. Notes of red clover, heather flower, hickory, rhubarb and marshmallow make for another truly distinctive and refreshing gin. We love it with slices of apple and Fever Tree Original Tonic.

Caorunn {ka-roon} 41.8% 25ml 3.50

We serve it with fresh apple to highlight the fresh, floral aromatics. Caorunn is credited with kick starting a new wave of gin making using locally foraged botanicals and having lower juniper notes.

Rock Rose 41.5% 25ml 3.50

Named from its first botanical 'Rhodiola Rosea' which is foraged from the Pentland cliffs in Caithness. Prized by the Vikings as an elixir for their long journeys; Rock Rose is best with toasted Rosemary, an orange twist and Fevertree original.

Edinburgh Gin Liqueurs 2.50

Raspberry or Rhubarb and Ginger

20% 25ml

These liqueurs are little drops of fruity loveliness. They are lovely over ice, with soda or tonic or used to spruce up a glass of Prosecco or to enhance a G and T!

Arran's glorious whisky is given a warm hug by the classic Italian wine's cask. Big notes of rich chocolate cherry and Turkish Delight work wonderfully with the Malt's smoothness and light body. As usual there is no artificial colours or chill-filtering. It scores 96/100 in the Whisky Bible too!

This light golden ale is a guid (Scots for 'good') 'session ale' with a delicate balance of malts and fruit.
- Arran Dark** 4.3% 500ml 5.00
The darkest of the Arran beers, it is actually quite amber in colour. Freshness and hoppiness pervade rather than treacle. There is good bitterness and bitter orange notes. Think 'Scottish Heavy' rather than 'Porter'.
- Joker IPA** 5% 500ml 4.20
"Wickedly Hoppy" this golden, bitter/sweet, well balanced IPA is a firm favourite with the locals from one of Scotland's leading craft breweries
